

ALUMNI COACHES AND ADMINISTRATORS

The spectrum of former Hockey East players securing high-level coaching and administrative positions is ever-expanding. For the first time ever, the league welcomed one of its own products to its coaching ranks when Tim Army was hired in June of 2005 by his alma mater, Providence. Army was Hockey East's first-ever leading scorer (60 points in 34 games in 1984-85) and led his team to the inaugural Hockey East championship. Just weeks after Army's return, Mark Dennehy (BC '91) was named the head coach at Merrimack following a five-year stint as an assistant at UMass. Below is a partial list of former players that are now in high-level coaching and administrative positions. Individuals listed in bold competed in Hockey East play.
