218 Student-Athletes Named to Men's All-Academic Team

Honored Players Earned a 3.0 GPA or Better in Each School Semester

AMESBURY, Mass. - The Hockey East Association is proud to announce 218 student-athletes that have been named to the league's 2025-26 Men's All-Academic Team. Each student-athlete achieved a grade point average of 3.0 or better in each academic period during which they were actively competing in Hockey East.

Additionally, eight players, including two goaltenders, three defensemen, and three forwards earned the prestigious honor of being named Hockey East's Top Scholar-Athlete, compiling the highest GPA at their position for the season. Those players have been selected to the 2025-26 Hockey East Academic All-Star Team.

Fifteen players reached "Distinguished Scholar" status, having qualified for the All-Academic team in each of four seasons of varsity play, while Merrimack's **Mark Hillier** is the lone player this season to be recognized for a fifth year of academic excellence.
